St. Louis Public Radio - Missouri Attorney General Demands More Monitoring Of Smoldering Landfill In Bridgeton - 1/9/14 - Missouri Attorney General Chris Koster wants more air monitoring at the Bridgeton Landfill, where an underground fire has been smoldering for more than three years. <http://news.stlpublicradio.org/post/missouri-attorney-general-demands-more-monitoring-smoldering-landfill-bridgeton>

Chanute Tribune (Kan.) - City water quality concerns raised on social media - 1/8/14 - Images posted on Facebook and Twitter showing particulate matter in Chanute city tap water raised concerns from those who commented on the pictures earlier this week and prompted a city response. http://www.chanute.com/news/article_3f11de4a-78bf-11e3-a515-001a4bcf6878.html

WIBW Topeka - Clean-Up Efforts For Shunga Creek Diesel Spill Slowed By Cold - 1/8/14 - The clean-up process continues in the hazardous material spill near Shunga Creek that happened on January 2. KDHE is saying that the diesel fuel spill does not threaten public safety. <http://www.wibw.com/home/headlines/Clean-Up-Efforts-Continue-For-Shunga-Creek-Diesel-Spill-239343441.html>

Des Moines Register - Keeping in Touch: Land, water need state's attention - 1/10/14 - I can relate a vast number of examples where the state is failing in assisting with the protection of our natural resources. I can also guarantee you that if public policy continues to ignore this issue, the costs in the future will be insurmountable. <http://www.desmoinesregister.com/article/20140110/ALTOONA01/301100007/Keeping-in-Touch-Land-water-need-state-s-attention>

Clinton Herald (Iowa) - Report due on Friday from the ADM mercury spill - 1/9/14 - Over two months after more than a pound of toxic mercury spilled and seeped into an Archer Daniels Midland well, a site assessment plan for recovering the remaining hazardous material will be submitted to the Iowa Department of Natural Resources. <http://www.clintonherald.com/local/x1022872969/Report-due-on-Friday-from-the-ADM-mercury-spill>

Sioux City Journal (Iowa) - Harkin agrees lower fuel standard would hurt Iowa economy - 1/9/14 - Gov. Terry Branstad may have been “using a little hyperbole to make a point” when he suggested lowering renewable fuel standards could lead to a return to the “bad old days” of the farm crisis, Sen. Tom Harkin suggested this morning. http://siouxcityjournal.com/news/local/govt-and-politics/harkin-agrees-lower-fuel-standard-would-hurt-iowa-economy/article_9f41e1aa-d2fc-5c04-a8cc-103a3a34262c.html
